ACCEPTANCE

The Mills reserves the right to accept or reject any or all Bid (s) without assigning any reasons thereof.

PAYMENT TERMS

90% Payment will be given on successful completion of each machine as pro rata basis with a performance guarantee of 3 Months and the remaining 10 % will be disbursed only after 3 Months of completion of work. However an advance up to 25% can be claimed by the contractor during the work.

INSPECTION

The Contractor is entitled to make his own arrangements for inspection of the site before submitting Tender. The parties are requested to contact our Mill In Charges, for facilitating and coordinating the site inspection. It will be presumed that all offers have been submitted after having duly inspected the Machines meant for erection.

SCOPE OF WORK:

The contractor will provide assistance as and when the new machinery ordered is arrived at site and ready for erection. The erection work will be as per the direction of the Erection Engineer of the Machinery supplier. The work should be carried out till the Erection Engineer satisfies the work. The time of work may be extended as per the direction of the Engineer .**The erection and servicing includes Mechanical, Electrical works of entire machines.**

WORK FORCE

The Contractor should arrange the labours and the Mill have no responsibility for their accommodation and other facilities. Also the Contractor should pay the ESI, EPF and other amount applicable to the prevailing rule of Govt. The Mill will deduct this amount from the payment to the Bidder. If any exception needed for remittance of ESI and PF, the required documents are to be submitted for approval.

PENALTY

Withdrawal of tender at any time after acceptance, failure to execute the contract within the scheduled time, shall constitute a breach of contract.

INDEMNITY

The Bidder shall hold the Mill harmless and indemnified against all claims for damage (inclusive of legal courts in connection therewith) whether arising in consequence of personal injury or death (irrespective of whether such claims arise in accordance with the provisions of the Workmen's Compensation Act 1963 or any other statues in force during the currency of the contract or otherwise) or of damage to any property by accident, negligence or otherwise arising out of and in the course of execution of the contract. During the currency of the contract, the Bidder will be responsible for the safety of all persons and the Mill's property within the vicinity of the work. If there is any loss to the Mill due to the negligence or fault of the Bidder or his employees or contractors, the Bidder shall compensate the Mill for such loss at a figure assessed by the Company.

TOOLS AND EQUIPMENTS

The successful Contractor should arrange all necessary tools and equipments by their own.

SECURITY CHECK

The employees of the Contractor and his contractors and transport vehicles inside the Mill premises will be subject to the security check and other rules framed by the Mill.

GENERAL

- The Mill reserves the right to withdraw this offer
- In the event of any difference in the interpretation of any of the clauses aforesaid, the Mill's decision shall be final which will be binding on the Contractor.
- In the event of any dispute under which legal action becomes necessary the dispute shall be settled in a court of competent territorial jurisdiction of the Mill.
- Machinery/Accessories: The Management reserves the right to cancel any particular Machinery/Accessories mentioned in the Machinery / Accessories for servicing list in full or in part.
